The table below shows two performance indicators of District Health Centres (DHCs) / District Health Centre Expresses (DHCEs) on life course preventive care (LCPC) for reference.

DHC/DHCE performance indicator	Target	Overall Performance
1. Percentage of new DHC/DHCE members received information and knowledge on LCPC together with individualised LCPC health advice (1 April 2025 – 31 March 2026)	≥ 80% of new members	90%
2. Seasonal influenza vaccination rate of DHC/DHCE members at age 50 or above (as at 31 March 2026)	≥ 40% of members at age 50 or above	53%
